

# 24-hour solar container system in the United Arab Emirates

## Overview

---

The Abu Dhabi 24/7 Solar Project blends massive scale with cutting-edge tech. Developed by Masdar and the Emirates Water & Electricity Company (EWEC), it combines: 5. Together, they will deliver 1 GW of nonstop clean energy — a global first. The United Arab Emirates is building the world's largest solar and battery storage project that will dispatch clean energy 24/7. Unlike the sprawling solar parks already familiar across the Gulf, this facility is being built with one crucial addition: storage on a scale the. The launch was announced by His Excellency Dr. Sultan Al Jaber, Minister of Industry and Advanced Technology and Chairman of Masdar, and His Excellency Mohamed Hassan Alsuwaidi, Minister of Investment and Managing Director and Group Chief Executive Officer of ADQ. The launch marks a pivotal moment.
