7 Solar Panel Alternatives for Historic Homes That Preserve Authentic

Discover 7 innovative solar alternatives for historic homes that preserve architectural integrity while providing sustainable energy solutions for period properties.

Picked up some "antique" solar panels this week.

Pretty much the common panels I would see were the old ARCO 16-2000 33 watt panels and the later Siemens SR100s. I have been keeping an eye out for them for 10 plus years to have a ...
