

# Canadian solar AC Combiner Box

## Overview

---

The new PV AC Combiner boxes have been designed for PV systems with string inverters in trackers or fix tilt systems. The product portfolio is suitable for inverters from 60 kW up to 200 kW and support voltages of 400 V, 690 V or 800 V AC. For solar installations in the PV industry, reliability and availability are paramount. Its durable shell can endure rain, freezing conditions, and extreme heat, guaranteeing dependable performance in harsh environments.
