

# Comparison of Expandable Prices for Foldable Containers

## Overview

---

In this article, we will conduct a thorough price analysis and comparison of expandable container houses, giving you all the information you need to make an informed decision. Folding container homes can cost from \$10,000 to \$400,000. The price changes with size, features, and where you build. Unlike fixed-size shipping container homes that limit living area to standard 20ft or 40ft. Expandable container houses are prefabricated modular houses with compact dimensions that can be expanded on-site into larger functional living Spaces.
