

Customizable high-voltage energy storage lithium battery

Overview

Explore our high voltage lithium battery packs, ideal for high-power industrial and commercial energy storage projects. Whether you're retrofitting existing equipment or launching something entirely new, we design and make lithium-ion systems. Voltaplex designs and manufactures custom battery packs using all major chemistries — lithium-ion, LiFePO₄, Li-Po. From compact 18650 and 21700 packs to medium-sized applications like robotics and portable equipment, our solutions deliver reliable performance, safety, and seamless integration. As a certified OEM/ODM battery pack specialist since 2007, we transform your complex power challenges into reliable, market-ready battery solutions. Our expert team delivers high-performance, cost-effective, and environmentally friendly products. High voltage solar batteries are designed to operate at elevated pressures, which allows for increased energy density and improved safety features. The core components of these batteries include the anode, cathode, electrolyte, and separator. The anode is typically made from graphite, while the

Customizable high-voltage energy storage lithium battery

High Voltage Lithium Battery Packs for EVs & Energy Storage

Realizing that every application wants a unique configuration, we have developed a range of customizable high voltage lithium battery packs. Our engineering team will work expediently with you ...

High Voltage Battery Packs , Bulk High Voltage Lithium-Ion Battery ...

Voltaplex Energy specializes in custom lithium-ion battery packs using industry-proven formats such as 18650, 21700, LiPo, Coin, Prismatic, and Pouch cells. These solutions are widely used in robotics, ...

 **TAX FREE**    

ENERGY STORAGE SYSTEM

Product Model
 HJ-ESS-215A(100KW/215KWh)
 HJ-ESS-115A(50KW 115KWh)

Dimensions
 1600*1280*2200mm
 1600*1200*2000mm

Rated Battery Capacity
 215KWH/115KWH

Battery Cooling Method
 Air Cooled/Liquid Cooled

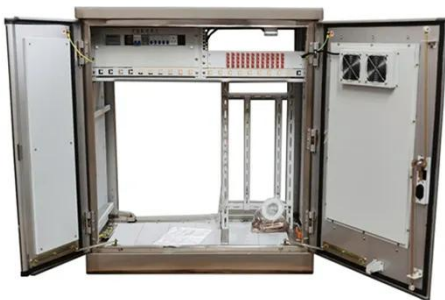

Custom Lithium Battery Pack Manufacturing: A Technical End-to-End

Our methodology ensures every custom lithium-ion battery pack - from ultra-low-temperature 18650 configurations to high-voltage LiFePO4 arrays - delivers uncompromised ...

Custom Battery Packs For Sustainable Energy Storage , Lithion

At Lithion, all of our battery packs are of the highest quality and efficiency. To simplify your choices, you can contact us and together we can talk through your unique energy requirements to create custom ...

BSLBATT: High Voltage Battery Solutions for Home & Industry

BSLBATT offers a wide range of leading High Voltage (HV) Lithium Batteries, based on LiFePO4 electrochemical technology, typically consisting of a High Voltage BMS and High Voltage Lithium ...

Custom Battery Packs , Order Custom Lithium Battery ...

Buy custom lithium battery packs that provide reliability and efficiency from Voltaplex Energy.

ESS

Custom High Voltage Lithium Battery Pack LBF Series - JMBatteries

Explore our high voltage lithium battery packs, ideal for high-power industrial and commercial energy storage projects.

Custom Batteries Packs Manufacturer - NPP POWER

With over 20 years of experience, NPP Power specializes in custom lithium battery pack manufacturing. We provide tailored energy storage solutions that ensure efficiency, safety, and sustainability.

Turn-key custom made lithium battery packs for your business

Whether you are in the automotive sector (non-propulsion), renewable energy storage field, medical industry, autonomous robotics space, or looking for a lead acid replacement solution, we have you ...

Custom Lithium Battery Pack Manufacturer & Design , Holo

Battery

Custom lithium battery pack manufacturer offering expert design, BMS integration & assembly for robotics and industrial use. Get your reliable power solution.
