

Does Trina Solar produce photovoltaic panels

636V-876V
215KWH Distributed ESS Cabinet

- Factory/farm/hotel/island etc solution
- Professional designing and analysis
- Lithium /GEL batteries optional
- Technical and installation support
- Intergrated 20/40ft container solution

Overview

Trina Solar has been manufacturing photovoltaic products since 1997, earning its position as one of the world's leading solar panel manufacturers. The company consistently ranks among the top solar module suppliers globally, with shipments exceeding 100 GW cumulative capacity. Four major businesses: 1) PV Products: R&D, production and sales of PV modules; 2) Energy Storage: A wide range of. Market Leadership with Scale: Trina Solar has established itself as a top-3 global solar manufacturer with over 205GW of cumulative shipments and operations in 100+ countries, demonstrating the scale and reliability that makes it a Tier 1 bankable choice for large-scale solar projects in 2025. Our solar experts gave Trina an Excellent rating because of their long-standing reputation and affordable prices. 55-stars from customer. Trina Solar is the industry's Goldilocks option. Known for dependable solar panels that won't break the bank, the China-based solar panel manufacturer offers a middle ground between premium brands and budget options—and is popular among shoppers on the EnergySage Marketplace.
