

Dubai solar Glass Project in the United Arab Emirates

Overview

The new project will be carried out through Almaden's wholly owned subsidiary in Middle East and North Africa (MENA) region and will include a 1,600-ton-per-day melting furnace and deep-processing lines. Construction is expected to be completed within 18 months. China's Almaden says it will build a solar glass plant in the United Arab Emirates with an annual capacity of 500,000 tons, in line with its plans to globally expand as domestic profits fall.
