

# European server rack 10MWh warranty

## Overview

---

G2 Enterprise Series Racks have a 10-year limited warranty that provides either repair or complete replacement of the rack. We can offer this industry-leading warranty due to the highly durable design with fully-wielded, roll-form rack design, heavy-gauge rails, and heavy-duty castors. SysRacks warranty is the manufacturer's guarantee that is valid contemporaneously with the recommended statutory provisions of a standard statement for a customer at the point of purchase of a product for the first time. What situations are covered under the warranty statement?

1. SysRacks. Do you need a rack that helps fine-tune options to achieve more compute power in limited space?

HPE G2 Enterprise Series Racks offer innovative physical security, structural integrity, cooling and cable management features and a wide choice of power and switching options to match your high-density. EDP Distribution supplies racks for use in IT and Logistic environments. Within the IT environment EDP Distribution offers a full range of server and comms enclosures in a range of widths, depths, and heights. Our warehouse We own a warehouse in Vilnius: it helps us quickly ship the equipment across Europe.
