

# Fallout 76 Solar Panels

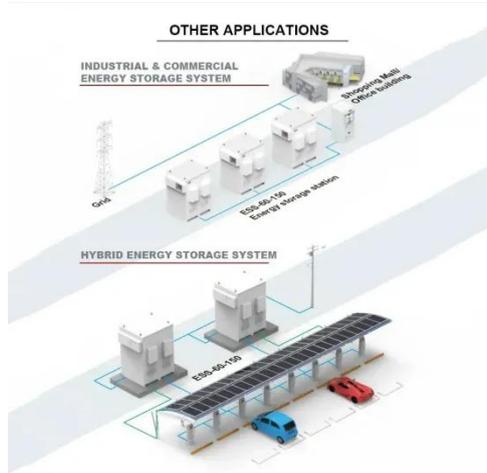

## Overview

---

The scavenged solar panel is a C. and workshop object in Fallout 76, introduced in the One Wasteland For All update. The solar panels, like the windmill, are designed to be a more environmentally-friendly form of power. Also like the windmill, the solar panels will produce 5 units of power. Fallout 76 is a post-apocalyptic action RPG released by Bethesda Game Studios in November 2018. It can be obtained by level 50+ player characters as a reward for successfully completing a Daily Op. Guides, builds, News, events, and more.
