Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW/115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

Off-Grid Solar Project Calculator

This solar calculator generates a Solar Electricity Analysis that will allow you to judge whether solar electricity is suitable for your project. The analysis takes into account your electrical requirements, ...

Solar Consulting For Off-Grid

Cabins Or Homesteads

If you're ready to achieve energy independence with a custom off-grid solar system, I'm here to help. From system design to installation support and energy optimization, I provide expert consulting ...

Off-Grid Solar System Sizing Calculator

Our Off Grid Solar System Sizing Calculator will help you size the battery bank and watts of solar power, you need for an off-grid solar electric system. , Solar BiZ

40kw 35kw 45kw Solar Power System

It can provide a constant supply of electricity for commercial and industrial power places, especially in some areas with high electricity costs or frequent power outages it plays an important role. The ...

Complete Off Grid Solar System Guide 2025: Components & Installation

Ultimate guide to off grid solar systems. Learn about components, sizing, installation, costs & maintenance. Expert advice with real performance data for 2025.

Off-Grid Solar Project Calculator

Energy Table
