

# Ghana New Energy Storage Industrial Park

## Overview

---

SFI, a subsidiary of Quarm Investments, secured \$100 million financing from the International Finance Corporation in December 2023 and is supported technically by Enclave Power Company. The facility will initially supply businesses in the Dawa Industrial Zone and later expand to. Mr Adlai Opoku Boamah, Managing Director of LMI Utilities (Middle), Samuel Kyei Boateng, Project Manager SFI project (second from right) Enclave Power Company Limited (EPC), Ghana's premier privately-owned power distribution company serving the Dawa Industrial Park and the Tema Free Zones Enclave. Ghana initiated a 200 MW solar park at Dawa Industrial Park with IFC and EPC collaboration, advancing its 10% renewable energy goal by 2030. [Link copied!Copy failed!](#) The 200 MW Dawa project has illustrated how industrial zones integrate large-scale renewable generation in West Africa. [Image.](#) President John Dramani Mahama officially began construction of the 200-megawatt-peak (MWp) Solar for Industries Park Project by cutting the sod. The President made the remarks during the sod-cutting ceremony for the Dawa Industrial Enclave.
