

# Hanergy Solar Power Generation Franchise Agent

## Overview

---

For more information, please contact Hanergy America at (650) 288-3722 or [info@hanergyamerica](mailto:info@hanergyamerica). Hanergy America develops and operates solar power plants, with the goal of generating cost-effective and reliable clean energy for our customers. We have experience optimizing plant performance - from the planning and design stages through operations - by deploying proprietary high efficiency. Based on Hanergy's MiaSolé high efficiency Thin Film cells, the Hantile solar roof tiles are the ultimate roof application of thin film. Finally all visible surface of a curved solar roof tile can be efficiently used, making it possible to get maximum yield of a tile roof. Its principal activities include (i) the development and design of turnkey production lines for thin film power generation and (ii) the development, operation and sales of downstream thin film power generation projects and. The solar energy sector is becoming increasingly vital for residential and commercial property development, driven by rising energy costs, climate change concerns, and stringent environmental legislation.

## Hanergy Solar Power Generation Franchise Agent
