

Hong Kong style curly hair

Overview

So, whether you've got wavy hair, kinky curls (hello!), a mixture of both or perfect locks, here are some of the sites, salons and products that will help you battle the frizz and love your look. Editor's note: Did we miss something?

Email us at and let us know!. After watching countless “Curly Girl Method” tutorial videos, trying out different curly hair products and tools, and learning how to “plop” one's hair, our Editor Nicole shares her year-long journey to embracing her natural curls. At the start of last year when the team shared their New Year. Hong Kong hair styles have always been popular for its classic yet extremely fashionable look. It's as if the humidity seeps through the concrete walls and heads straight for their hair. While our last post focused on the techniques for cutting and styling curls, this article goes further into what your curls need to stay nourished, hydrated, and healthy. That is as well as among the most well known.
