

How long can a sealed tea storage box last

Overview

Sealed storage keeps tea drinkable for years, but most teas taste their best within 6–24 months, depending on type and handling. Tea doesn't “expire” the way fresh food does. In a sealed container, dry leaves stay low-moisture, so spoilage is uncommon. What shifts first is flavor: aroma fades. Store tea in airtight, opaque containers in cool, dry, dark places away from strong odors. These are estimates under ideal conditions. Real results depend heavily on how the tea is stored.
