

How many colors does Yingli photovoltaic panel have

Overview

Yingli does not offer many options, with only two mono PV modules to choose from, the YLM 120 half-cut cell all-black panel and the YLM 144 half-cut cell monofacial panel. A solar panel's power rating refers to its wattage. Yingli Solar offers a range of high-efficiency photovoltaic modules. While the product line seems narrow at the first glance, YLMs and Pandas come in all shapes and sizes.

How many colors does Yingli photovoltaic panel have

1mwh (500kw/1mw)
