Overview

The three most notable high end inverter brands in Malaysia are SMA, Solar Edge, and Fronius (of which Next Energy is a certified Fronius service partner).

Reduced Energy Costs: One of the primary reasons Mauritian homeowners and business install solar panels is to save money on their energy bills. Solar panels generate electricity from sunlight, reducing reliance on grid electricity. Over time, this can lead to significant savings on your utility. Discover the estimated cost of your solar power system with our Interactive Estimate Tool.

Through this partnership, we provide high-quality solar panels, inverters, batteries, and EV charging solutions—combining international expertise with local service and support in. Bayon Mauritius designs and installs premium solar and battery systems that put you in full control of your home's energy.
