

Mc array solar generator

Mc array solar generator

Solar Generator

The Solar Generator harnesses sunlight to create power. The generator is particularly useful for generating passive energy for above-ground machines instead of draining your main stores.

MV Solar Array

The Medium Voltage (MV) Solar Array is an IC Machine used to generate EU from the sun. It is the equivalent of 64 Solar Panels, or 8 LV Solar Arrays. One MV Solar Array produces 64 EU/t, which is ...

Advanced Solar Generator

The Advanced Solar Generator is a highly upgraded version of the basic Solar Generator. Construction of an Advanced Solar Generator requires four Solar Generators, but it produces six times the power ...

Solar Arrays

The Solar Generator harnesses sunlight
to create power. The generator is ...

Solar Arrays

They are used to reduce the size of solar
farms, which can quickly become
invasive. The preferable method of
construction involves the setting up of
Automatic Crafting Tables to perform
these tasks as ...

Low Voltage Solar Array

It generates power at a rate equivalent
to the Advanced Solar Panel provided
that the sky is visible, although it does
not have any internal storage and also

outputs its power at a rate of 8 EU /p as
...

Advanced Solar Generator

The Advanced Solar Generator is a power generator block added by the Mekanism mod. It uses solar energy to generate power of up to 300 J/t (120 RF/t). It can store up to 200 kJ (80 kRF), with a ...

Advanced Solar Generator

It produces approximately 120 RF/t during daylight hours. It can be used standalone or as a component in crafting the Solar Evaporation Plant. The Advanced Solar Generator has a small internal buffer of ...

Solar Generator (Mekanism)

The Solar Generator is a generator added by Mekanism. It produces approximately 18 RF/t, 46.54 J/t, 4.65 EU/t or 19 T/t during daylight hours and

a very small amount when it is raining. It can be used ...

Advanced Rocketry

The Solar Generator is a solar panel that generates a small amount of power just by being in sunlight. The panel will work as long as it has a direct line of sight to the sky (it does work under glass blocks)

...

Advanced Solar Generator

The Advanced Solar Generator is a highly upgraded version of the basic Solar ...
