

Nader circuit breaker factory in Zimbabwe

Overview

Nader's production base is located in Pudong New Area, Shanghai, China, who is the largest miniature circuit breakers manufacturer and supplier at high-end market in China. Nader NDB6AZ-63H series MCB is mainly used in telecommunication machine room or communication cabinet with DC rated working voltage of 80V and below and rated working current of 4A to 63A (only for industrial use), as isolation, short circuit and overload protection of cabinet, machine room or. Nader was a leading electrical brand in China with January 7th, 1999, Shanghai, China. Who take the high-end low-voltage electrical system solutions experts as the brand positioning, take solving the pressure and challenges of customers as the responsibility, and create value for customers. 2021 Quick. Identifying reliable Nader circuit breaker producers requires understanding key global manufacturing hubs.

Nader circuit breaker factory in Zimbabwe

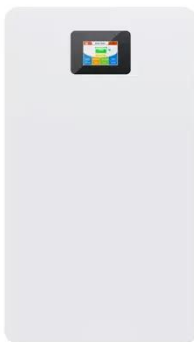

Automatic production line of circuit breakers in Nader factory

#Nader currently have a total of 48 automatic production lines, which can automate the production of miniature circuit breakers, moulded case circuit breakers, frame circuit breakers, contactors, ...

Nader Circuit Breakers

Nader is a leading manufacturer in China's high-end low-voltage electrical apparatus industry, and the country's largest producer of high-quality Miniature Circuit Breakers (MCBs).

Nader Circuit Breaker

Nader is the largest circuit breaker manufacturer of china, mainly engaged in R & D, production and sales of terminal appliances, power distribution appliances, control appliances, smart ...

nader circuit breaker producer: Reliable Industrial Solutions

Technical Specifications & Compatibility:
Ensure the producer offers Nader
breakers meeting your specific
requirements for voltage, current rating
(In), breaking capacity (Icu/Ics), ...
