

Old style generator blades

Old style generator blades

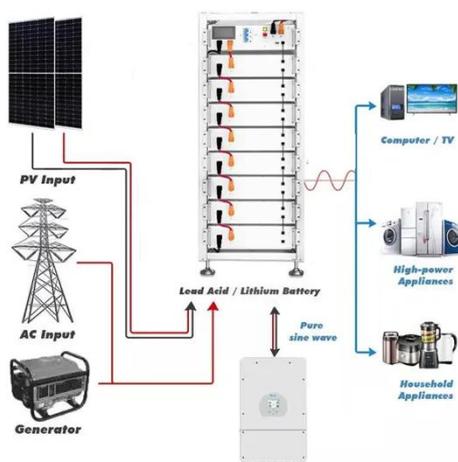

TLG Windpower Power Class Series Wind Generator Blades.

This isn't the 1930's and even so it takes time and is a major pain in the neck to even make the blades, let alone making a precision balanced hub. BUT there are people that think that wooden blades are ...

Best Old Style Jigsaw Blades for Traditional Woodworking and Metal

This guide highlights five blade sets that align with traditional or "old style" jigsaw blade systems, focusing on sturdy construction, versatile tooth patterns, and compatibility with common U- ...

Jacobs Windgenerator Blades , Smokstak® Antique Engine Community*

I am trying to find information, drawings etc for the wooden blades used on a older 3 blade Jacobs 2.5 KW wind generator. These would have been built about 1931 thru 1956.

Old-Style Windmill Produces New-Style Electric Power

Old-style windmills with four legs and a wheel full of blades will soon be back in style, says C.D. Smith, Triad/Merrick Machine Co. The company recently introduced the Triad WindGen, a 10kW turbine ...

wooden blade refinishing

I saw a new old stock single blade Wincharger prop and it was varnished. I have no idea what kind of varnish they

would have used for something outside
in the 1930s or 40s?
