

On grid hybrid solar inverter in Abu-Dhabi

*Support photovoltaic input and AC mains input
Suitable for home energy storage and emergency backup power supply*

The image features a large, white, vertical on-grid hybrid solar inverter unit on the left. To its right is a photograph of a modern, two-story house with a dark facade and a large gable window. Below the house photo is a text box containing the text: "Support photovoltaic input and AC mains input" and "Suitable for home energy storage and emergency backup power supply". Below the text box is a framed image showing various smart home appliances: a ceiling fan, a range hood, a refrigerator, and a laptop.
