

# Solar panel power generation free installation

## Overview

---

Companies often offer “free” solar panels through leases or power purchase agreements (PPAs), where they install and maintain the panels at no upfront cost. That means if you install a solar energy system in your home at any time in 2023, you can write off up to 30% of the solar installation cost from the amount of taxes you owe to the IRS when filing in 2024. Let's get started! By submitting your information, you are leaving EcoWatch and will be.
