

Solar power generation panels are free

Overview

Companies often offer “free” solar panels through leases or power purchase agreements (PPAs), where they install and maintain the panels at no upfront cost. When something is advertised as “free,” it usually comes with a few strings attached—free solar panels are no exception. In August of 2022, the United States Congress extended the ITC while at the same time raising the total.

Solar power generation panels are free

'Free Solar Panels' Aren't Really Free

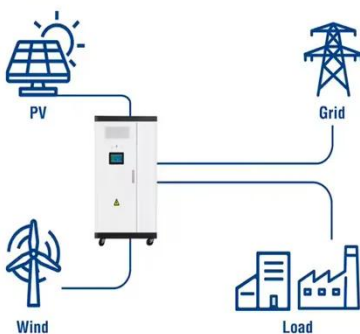

There's no such thing as free solar panels or free government solar programs. Most "free" offers are actually leases, power purchase agreements, loans or scams.
