

# Thailand Solar Lithium Battery Company

## Overview

---

We supply high-quality home battery backups, solar PV, and inverter systems for residential projects, as well as battery energy storage systems (BESS) for commercial and industrial buildings in Thailand. As the global shift toward clean energy accelerates, Thailand is emerging as a key player in the lithium-ion battery market, driven by its strategic position in Southeast Asia's electric vehicle (EV) and renewable energy boom. Within the ASEAN region, it possesses the greatest production capacity. Encourage Thailand to lead the way in. Impact Solar specializes in innovative solar rooftop solutions, offering a unique Private PPA Program that provides customers with accessible and affordable clean energy. With over 60 MW of clean energy developed across Asia, the company is committed to supporting sustainability and energy savings. Our solutions are cost-effective and. Primroot.
