How are least, lowest, and fewest used differently?

Then I questioned whether either "What is the least number of people?" or "What is the fewest number of people?" is a superior alternative. My guess is that the "fewest number" option is ...

Low price solar panels

At A1 SolarStore you can find a variety of solar panels at low price. Here is how we operate:

"least" vs. "lowest"

What is the difference between least and lowest? Websites announce as "Lowest prices", but not "least". Least is the superlative degree. low > lower > least ?

"Lowest" vs. "lowermost"

Is there any difference between the words lowest and lowermost? When should I use either of them? Possibly lowermost should never be used?
