

The most reliable brand of outdoor power

48V
Lithium
Battery

Overview

For superior durability in outdoor power equipment, look for brands like Gravely, Ariens, Toro, Exmark, Scag, and Billy Goat, known for their robust construction, commercial-grade components, and long-term reliability. Outdoor power tools aren't a small purchase, so you want to have confidence that you picked the right product the first time. To help you make the right decision for your property, we test everything from chipper shredders to string trimmers, basically just about any type of lawn and garden. The best power station for most people is the Anker C1000. It delivers on most people's basic needs, such as getting through a blackout in comfort, providing power for an off-grid camping trip, or offering portable power away from a 110V outlet. And, thanks to advances in lithium-ion battery technology, they're also lighter and more compact. Discover how modern portable power stations outperform traditional generators in safety and versatility.
