As strange noises echo across the dark landscape, the workers soon realize they're not alone. Their desperate struggle to survive uncovers the true horror hidden in the open fields -- a story

The Dark Side of Wind Turbines: Why They Might Just Be the

We're told they're a zero-carbon source of power, a shiny new way to harness the wind and generate electricity without harming the planet. But is this really the case? Or are wind turbines actually a ...

Two Engineers Hug and Die on Top of a Burning Wind Turbine

In a heart-wrenching incident, two out of four maintenance engineers were stuck on a 67-meter wind turbine generator. Both engineers, standing on top of the burning turbine, hugged each other for the last ...

Outdoor Cabinet BESS
50 kWh/500 kWh Battery Storage System
Industrial and Commercial Energy Storage

- All in One**
Integrating battery packs
- High-capacity**
50-500kWh
- Degree of Protection**
IP54
- Operating Temperature Range**
-20-60°C (Derating above 50 °C)
- Intelligent Integration**
integrated photovoltaic storage cabinet
- Rated AC Power**
50-100kW
- Altitude**
3000m (>3000m derating)
