

# Three solar panel factories under construction in Oman

## Overview

---

The agreement was signed between JA Solar Energy — one of the world's top four manufacturers and suppliers of high-efficiency solar cells and modules — and key Omani entities including Invest Oman, SOHAR Port and Freezone, and Majis Industrial Services. This project marks a further expansion of Chinese. Muscat - Oman has signed a multi-million dollar agreement with China's JA Solar to establish a large-scale solar cell and panel manufacturing facility in the second phase of Sohar Freezone as part of efforts to boost renewable energy and diversify the economy. Oman Arab Bank has announced a landmark \$220 million investment in a new polysilicon factory, a facility dedicated to producing the high-purity silicon essential for manufacturing solar panels. This move signals a. Muscat: The Ministry of Commerce, Industry and Investment Promotion has revealed that the renewable energy equipment sector—covering solar panels, wind turbines, energy storage, and green hydrogen production tools—is a core focus of Oman's Industrial Strategy 2040. Announced during the Advantage Oman Forum in Muscat, the landmark project.

## Oman inks \$564mn deal with Chinese firm to set up solar plant

Muscat - Oman has signed a multi-million dollar agreement with China's JA Solar to establish a large-scale solar cell and panel manufacturing facility in the second phase of Sohar ...

## 6GW Cell + 3GW Module! JA Solar Plans Factory in Oman

To achieve an annual production capacity of 6GW of solar cells and 3GW of modules, it is planned to set up a joint venture with other shareholders for the project.

## Sohar emerges as solar manufacturing hub in Oman with over RO 1 ...

Further bolstering Sohar's role, Chinese firm Jitai Solar signed a deal in late 2024 to establish a solar panel plant with a capacity of 5 GW annually, mainly targeting Gulf and African ...

## JA Solar to Build 6 GW Solar Cell and 3 GW Module Factory in Oman

Chinese photovoltaic giant JA Solar is planning an investment to construct a manufacturing facility in Oman's Sohar Port and Freezone, with an annual production capacity of 6 ...

## Oman's first solar panel manufacturing project launched at Sohar

While Sheida Solar is expected to target the small and medium-scale solar PV market, newer solar plants announced in recent markets will have an eye on major solar PV and green ...

## Oman Signs \$565 Million Agreement to Establish Major Solar

The agreement was signed between JA Solar Energy -- ranked among the world's top four producers of high-efficiency solar cells and modules -- and leading Omani entities, including ...
