

UAE energy storage equipment brand

Overview

Robust Energy Solutions is a UAE-based manufacturer specializing in lithium-based energy storage systems. With certified production in Jebel Ali Free Zone, we design systems to deliver safe, efficient, and scalable energy—customized to the needs of industry and infrastructure. Designed for efficiency, reliability, and sustainability, our products support a wide range of applications, including solar. StorEn is an official partner in energy storage devices built on CATL battery systems - a world leader in the production of lithium energy sources for electric transport and energy.
