

Uninterrupted power supply maintenance contract for solar- powered communication cabinets

Overview

Get an instant quote today for a UPS technician to provide service or maintenance for your uninterruptable power supply. As UPS maintenance service providers, we will collect information on your needs and connect you immediately to one of our sales engineer. Performing factory-recommended preventive UPS maintenance is critical for optimal performance and continued reliability. At Solarcraft, we build rugged, built-for-purpose commercial and industrial AC & DC Uninterruptible Power Supply (UPS) solutions for critical loads where an “off-the-shelf” solution will not meet the requirements. Furthermore, our UPS modules with integrated power supply or integrated battery module offer a space-saving UPS solution. Unified Power is a national critical.
