

# Uninterruptible power supply manufacturer in Kuala Lumpur

## Overview

---

We specialize in offering comprehensive solutions for Uninterruptible Power Supply (UPS), Voltage Regulators, Frequency Converters, and Batteries. As the authorized distributor of RIELLO UPS and IREM Voltage stabilizers in Malaysia, we bring you top-quality products. The KVR-800U is an 800VA automatic voltage regulator designed to safeguard critical equipment under demanding Malaysian power conditions, combining robust protection, clear status monitoring and flexible installation options. We understand the critical nature of server rooms and offer customized solutions that address the unique challenges. We are now highly regarded with distinction as one of the leading suppliers and manufacturers of power electronic products in Malaysia. Address: M4B/5, Jalan Pandan Indah 4/1A, Pandan Indah, 55100 Kuala Lumpur, Malaysia. Discover our brand story, leadership philosophy, and future direction in this Superbrands CEO Interview. Experience the ultimate in UPS solutions. High-efficiency, fully integrated, and end-to-end uninterruptible power supply solutions protect your enterprise-wide networks, data centers, mission-critical. This APC Smart-UPS is a modular Uninterruptible Power Supply (UPS) for high availability applications such as data centers and mission critical processes, designed to prevent blackouts, brownouts, sags, and surges from reaching your equipment.
