

Warranty for Ultra-Large Capacity Solar-Powered Containers Used in Steel Plants

Overview

What Is The Product Warranty Period?

The whole system is covered for 1 year, solar panels for 10–12 years, lithium batteries for 3 years, and inverters for 5 years. Please refer to our warranty manual for details. Do You Provide Installation Guidance Or O&M Training?

Yes. We also calculate and verify operational functionality to determine overall plant. This is the product of combining collapsible solar panels with a reinforced shipping container to provide a mobile solar power system for off-grid or remote locations. Unlike standard solar panel containers, LZY's mobile unit features a retractable solar panel unit for quick installation. Boxhub is committed to protecting and respecting your privacy. You may unsubscribe. The malfunctioning or early degradation of the original manufacturer's parts or materials, caused by subpar craftsmanship or insufficient quality control, allows the manufacturer to choose between repairing or substituting the flawed component or material.
