

# Yingli photovoltaic export panels

## Overview

---

Yingli is a high-quality, low cost producer of Panda monocrystalline and YGE polycrystalline solar panels. High efficiency PANDA modules are created from an innovative N-type cell technology. The panda lineup ranges to 300 watts with module efficiencies of up to 18%. Headquartered in Baoding, Hebei Province, Yingli Solar has many bases in Baoding, Tianjin. Yingli Solar is headquartered in Baoding, China but they ship their photovoltaic (PV) products globally as well as throughout Asia, Europe, and the United States. Yingli Solar is one of the oldest renewable energy manufacturers and has been in business since 1998. Chinese engineers seem to really like bifacial modules: half of Yingli Solar products are panels with an active rear side which are called. Yingli 175 watt solar panels employ the full benefit of the parent company's vertical integration planning.

## Yingli photovoltaic export panels

---

### Yingli Solar Panels

Yingli 230 watt solar panels are among the highest output shippable solar panels on the market. They have a great throughput under optimal conditions, and can outperform the rated output if well set-up.

### Yingli Energy

From May 2003 to July 2019, Yingli Solar has provided photovoltaic products to 132 countries, ranking third among its competitors in terms of the number of customer countries.

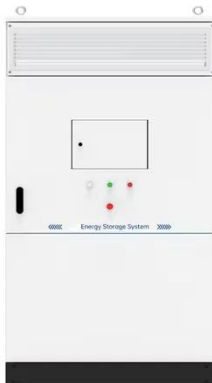

### Yingli Solar -- Vico Export Solar Energy

The Yingli polycrystalline solar modules offer superior energy efficiency average. Thanks to the partnership with TÜV Rheinland the certification is guaranteed to the highest standards of quality.

### Yingli Solar Panels

Yingli is a high-quality, low cost producer of Panda monocrystalline and YGE polycrystalline solar panels. High efficiency PANDA modules are created from an innovative N-type cell technology.

## Yingli Solar panels review 2026

We've covered the history of Yingli Solar, talked about the specifications and pricing of their panels, discussed pros and cons, and even looked at some of their panels.

## Yingli Energy Development Company Limited , Solar Panels , China

Company profile for solar panel manufacturer Yingli Energy Development Company Limited - showing the company's contact details and products manufactured.

## Yingli Solar Facts and Advice

Yingli is a vertically integrated manufacturer of crystalline solar panels. The largest portion of its product line are

made from polycrystalline solar cells - which have kWp ratings of between 175 and 280 watts.
